

Year 1 Home Learning - Week beginning: 22nd June 2020 - Theme: Geography - The UK - Wales

Set yourself a challenge- how many of these learning activities can you complete?

Spelling : When a noun ends in **s, ss, sh, ch, x** or **z** we add **es** when there is more than one (plural)- **boxes, dishes, foxes, wishes, matches, kisses** and choose 4 words from the common exception words to learn (see list below).

Perhaps you can learn the challenge words: **sandwiches, witches, washes, watches, glasses, buses.**

Reading

* Complete a **daily phonics lesson** from the DFE on YouTube.

* Choose a book from the following e-library that matches your book band or that you would like to have a go at reading. www.oxfordowl.co.uk

Read one of your own books or complete the BBC Bitesize reading lesson on **Friday 26th June**.

Reading lesson:

Ella Bella Ballerina and A Midsummer Night's Dream by James Mayhew

Writing

Complete the BBC Bitesize lessons on prefixes and suffixes on **Monday 22nd June**.

Complete the national Writing Day lesson on BBC Bitesize on **Wednesday 24th June**. <https://www.bbc.co.uk/bitesize/dailylessons>

Other writing can be done through our geography work on Wales. The children could use the pictures below and choose to:

- make a little book about Wales
- make a poster
- complete a fact file

Remember to say your sentence aloud before you write it down. Leave spaces between words and remember capital letters and full stops. Don't forget that we always use capital letters for the names of places.

If you make a little book, the heading for each page could be a question e.g. What is the capital city of Wales? You could then write some sentences and cut out the picture of Cardiff. You could also design a front cover for your book.

Maths

Continue with your maths home learning- this might be BBC Bitesize, The Maths Factor or White Rose.

Alternatively begin to multiply by 2,5 and 10.

- Practise counting in 1s: 1,2,3...in 2s: 2,4,6..., in 5s: 5, 10, 15...in 10s: 10,20,30...
- Identify odd and even numbers- by putting a pile of socks into pairs.
- Use 1p coins or some other objects like pasta, beads etc. Ask your child to make a group of 5. Show that we can say that we have one group of 5 and we write $1 \times 5 = 5$. Repeat making two groups of 5 and write $2 \times 5 = 10$. Continue up to 10×5 .
- This activity can be repeated finding groups of 2 and 10.
- Complete **Canopy Chaos** game on Abacus
- Have a go at the **Mastery Checkpoint 1.27.26** and **Mastery Checkpoint 1.27.27** on Abacus

Religion: LEARNING FOCUS: We are happy when we love one another.

Read *A New Rule* based on John 13:34-35 (See below). In John's gospel, we hear about a new rule Jesus gave us. It is a rule which Jesus always kept. Jesus is always there to help us. Look at the picture. What are the children doing? When we are living out Jesus' new rule to 'love one another' this is shown in our thoughts and actions. Think of what else we could say and do to show that we are living out the new rule. (Shaking hands as a sign of peace etc.) It is good to make up when we don't keep this rule and try not to let it happen again. Write your ideas in sentences and decorate your work.

Jesus said, "I'm going to give you a new rule.

It's this: Love one another. I love each one of you, and I want you to love each other.

When you're all happy together, everyone will know that you love one another, and that you are my friends."

Based on John 13: 34-35

Can you have a go at saying it?

Mount Snowdon

Mount Snowdon is the highest mountain in Wales, at 1,085 metres above sea level. The Welsh name for Snowdon is Yr Wyddfa and old legends said a giant was buried in the mountain!

Caernarfon Castle

Prince Charles, who is next in line for the throne, was crowned 'Prince of Wales' in Caernarfon Castle in 1969. The fishing town of Caernarfon is within the castle's stone walls.

Principality Stadium

The Principality Stadium is a national stadium of Wales, located in the Welsh capital city of Cardiff. It was opened in 1999 and hosts many events including sports matches and music concerts. It is the home of the Welsh national rugby union team.

Menai Bridge

The Menai Bridge connects mainland north Wales with the Isle of Anglesey. The bridge opened in 1826 and reduced the long journey from London to Holyhead, by 9 hours.

St. David's Day

1st March

St. David was a Celtic monk, abbot and bishop, who lived in the sixth century. He spread the word of Christianity throughout Wales.

The most incredible story, was a miracle where he caused the ground to rise beneath him when preaching, so that everyone could see and hear him.

On St. David's day, celebrations often take place which include:

- school children singing and performing
- traditional dancing
- a soup called 'cawl' (made from leeks) is prepared and eaten.

Welsh Symbols

Leeks and daffodils are the national emblems for Wales.

The Welsh flag is one of only three national flags in the world to display a mythological creature.

The flag of St. David (or St. David's Cross), is often displayed on St. David's day.

Use these pictures for your book, poster or fact file.

Spelling

When there is more than one of something we say that it is **plural**. When a word ends in **x, s, ch, sh, or z** we add **es** to make it plural.

Here is the noun:	Make it plural by adding es:	Now write the word again:
witch	witch_ _	
fox	fox_ _	
dish	dish_ _	
buzz	buzz_ _	
crash	crash_ _	
box	box_ _	
push	push_ _	
gas	gas_ _	
wish	wish_ _	
boss	boss_ _
