Head Teacher: Mr M. Mountcastle

Monday 10th July

Dear Parents/Carers of Year 5

As shared previously, next year we will have two small Year 6 classes of 22. Educationally this is a fabulous scenario particularly in the current climate of reducing budgets and resource cuts in schools. It was our intention to revert back to the classes from Reception but when we looked at the dynamics it did not seem to work so we started from scratch.

This is an ideal scenario but not an easy one as in allocating the classes we included the following: Friendship groups, a mix of ability, dynamics and even though top heavy with girls a fair gender mix. We have involved all the staff who have taught the children and they spent some time in the classes today. Although probably not perfect for everyone we believe we have achieved the best classes within all the parameters we set ourselves. As a year 6 anyway they will spend a lot of time working together and carrying out responsibilities.

May I take this opportunity to remind you that the children need to be back at school for 6.45pm on Tuesday and Wednesday this week. Although not the lead parts in the show they do a fantastic job supporting their Year 6 peers.

If you would like to discuss any of this further please do not hesitate to contact me.

Yours sincerely

M Mountcastle
