Dear Parents/Carers

Over the last few years we have built up fantastic relationships with schools in Ireland, Spain, Italy and Bratislava. This year the football teams travel to Ireland and in the past we have welcomed staff and children from Ireland and Italy.

In March the Slovaks want to visit and are bringing 9 children and 2 adults. To reduce their costs they have requested the children stay with families to help their language skills and I am appealing for volunteers to home them for three nights. The details are below and if you can assist them please return the slip as soon as possible.

They are arriving on Weds 11th March, staying three nights and travelling back early on Saturday 14th. During the day the children will be entertained in school and given a hot meal, they do not eat a hot meal in the evening only simple sandwiches or cereals; they are conscious not to be a financial burden. There are three boys aged 13, three girls aged 14 and three girls aged 11. They do not need children of the same age in the household and they do not need to be together. In addition we are looking for accommodation for the two female staff.

I have not met the children so cannot vouch for them but I have met the staff at least 4 times and find them very professional and hard working. If you can help please complete the slip and return to school; we will then have a meeting to finalise arrangements. Thank you.

Yours sincerely

M Mountcastle
