Tuesday 7th October

Dear Parents/Carers

Head Teacher: Mr M. Mountcastle

As you are aware we are holding a maths information evening for parents and carers of children in Years 3 – 6 next Thursday 16th October at 6pm in the school hall. The purpose of the session is to show how we teach calculations and to explain the progression from Year 3 to Year 6 to enable you to assist your child with their school and homework. In addition we will show you some changes in the maths curriculum since September. We will be holding a session for Key Stage 1 and EYFS next half term.

There is no obligation to complete any work and no expectation for you to answer questions; it is more to share information of what we do. I do hope to see you there and if you are attending please complete the slip at the bottom of this letter.

Strike

Next Tuesday two support Unions have called their members out on strike. Although there will be some disruption at present school will be open on this day, Tuesday 14th October. If this changes I will of course notify you as soon as possible. **Please note there will be no before or after school club on strike day, Tuesday 14th October.** As always I thank you for your support and cooperation; taking industrial action is not something staff do lightly and without consideration but they feel compelled to follow Union advice.

Yours sincerely

M Mountcastle

Name of Child: _____ Class: _____

I/We will be attending the maths workshop for parents and carers on Thursday 16th October.
