Friday 5<sup>th</sup> July

Dear Parents/Carers

Head Teacher: Mr M. Mountcastle

### Building Work

Over the summer holidays we are having the flat roof replaced that runs the length of school. We have won a bid for the cost (over £100,000) and I would like to thank all the families who have contributed to the Building Fund. Even though we only pay in a small amount the rewards are great, as in this case we are saving over £90,000. If you can contribute, the voluntary donation is on ParentPay. Thank you.

The work starts next week and we are hoping disruption will be minimal. The builders will be taking over the visitor's car park and although their equipment will be fenced off, daytime parking will be restricted. Thank you for your patience.

### Plastic

Over the next few months we will be collecting unrecyclable plastics which we will then use to build external structures. The idea is to take empty plastic milk bottles (2 litre) and stuff them to bursting with non-recyclable plastic. Once weathered we can then use them as 'bricks.' I look forward to your support.

### Summer Fair

Plans are well on track for the summer fair next Friday 12<sup>th</sup> July from 6pm. Please see Facebook (St Hugh of Lincoln PTA/Friends for more detailed information). Thank you for all the chocolate and bottles – next Friday we will again have own clothes in exchange for cakes.

Once again thank you so much for all your support.

Yours sincerely

M Mountcastle

Healthy School
